# DHA / MOH (UAE) LICENSING — GUIDANCE NOTE (SAMPLE)

For Anjali Thomas (fictional) · Dubai / UAE pathway, sample only · Sample – fictional details.

**Guidance only.** Licensing rules differ between Dubai Health Authority, the Ministry of Health and Prevention, and other emirates. We are not a UAE health authority and not a visa agency. Use the official portal named in your offer letter or exam booking.

- Confirm which authority your employer or intended emirate actually uses.
- Keep DataFlow or other primary-source verification instructions as published that year — we only explain the steps, we do not run the verification account as you unless a later written service says so.
- Exam and licensing fees are paid by you on the official site.
- A paid note is a checklist and a sequence, with one revision, not a licence.
