SAMPLE – FICTIONAL DETAILS · NOT A REAL PERSON, BUSINESS OR OFFICIAL FORM

PSC or bank-exam notes pack (sample)

Kerala PSC-style general awareness · a few sample cards, not a full syllabus · Sample – fictional details.

Indian polity — sample card

Directive Principles of State Policy are in Part IV of the Constitution of India. They are not enforceable by a court in the same way as fundamental rights, but they guide the State in making law and policy. A standard exam question asks you to distinguish them from fundamental rights and to name the part, not to argue a political opinion.

Kerala — sample card

Kerala became a state on 1 November 1956. Thiruvananthapuram is the capital. A typical question may ask the date, the capital, or the language of the state. Check the year's official notification for the exact syllabus.

Bank exam — quantitative, sample method

If a sum of ₹10,000 is placed at 8% simple interest for 3 years, interest = 10,000 × 8 × 3 / 100 = ₹2,400. Always write the formula before the arithmetic in the rough book.

A paid pack is written to the exam and subjects you name. These cards are only to show layout and tone. They are not a prediction of questions.
