NORKA registration — guidance note (sample)

Sample – fictional details.

Guidance only. NORKA Roots is a Government of Kerala undertaking. We are not NORKA and not a government office. Use only the official NORKA Roots website and instructions that are live when you apply.

1. Open the official NORKA Roots site and read the current registration or service page that matches your need (for example returnee support, or another notified service).
2. Create your own login. We do not use your password.
3. Keep passport, civil identity and any overseas employment documents ready as the form lists them that year.
4. Official fees, if any, are paid by you on the official site or as that office directs.

A paid note walks through the current official steps with a checklist, and can be revised once if the official page changes before you file.
