Video edit (up to 20 minutes) — sample edit plan

Sample – fictional details.

A paid long edit is cut from your footage, up to 20 minutes, with titles and a simple colour pass. We cannot show a 20-minute client film here. This sample is an edit decision list for the fictional “Puttu and kadala” video, to show how we plan a long cut.

In	Out	Picture	Note
00:00	00:20	Hook, as in the script	Keep the first clean take
00:20	00:45	Ingredients	Cut away from any fluffed line
00:45	08:00	Method	Cover jumps at stove changes; safety of steam and oil remains in frame
08:00	09:00	Plate and close	End card and next-title card; no copied platform art

A 20-minute interview or lecture would be planned the same way: a hook, chapters, removed repeats, and a held end card. Official music licences, if needed, are the customer’s unless we agree otherwise in writing.
